

**DEPARTMENT OF THE ARMY**  
**HEADQUARTERS UNITED STATES ARMY GARRISON, OKINAWA**  
**APO SAN FRANCISCO 96331**

GAROG-I

**8 AUG 1977**

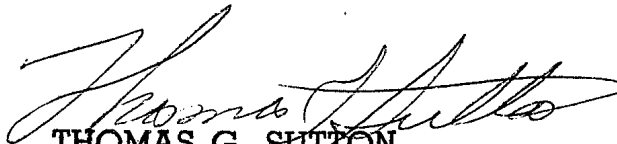

**SUBJECT: Revision of Permit for FBIS Use, Senaha Comm Station, FAC 6021**

Chief,  
FBIS, USFJ  
Okinawa Bureau  
APO S.F. 96239

1. Reference: Current Permit, 1 July 1975 to 30 June 1980.
2. Subsequent to execution of referenced permit, at which time your facility was known as Bolo Point Trainfire Range and contained 467 acres of land, three (3) partial releases have been effected; and recently, an administrative adjustment to the currently remaining land area underlying your facility was made. Therefore, a revised permit covering the period of 1 July 1977 to 30 June 1980 (executed by USARJ) is forwarded in eight (8) copies for execution by your office.
3. Request five (5) copies, including the original, of the revised permit be returned to this headquarters, ATTN: GAROG-I, upon being fully executed.

FOR THE COMMANDER:
